

## Elementary School and Middle School Pairings

Are you looking to extend your reading program by including both your elementary and middle schools but need book suggestions appropriate for both audiences? We have created a list of elementary and middle school book pairings that offer books by the same author or books with similar themes. You can also contact us by emailing [programs@readtothem.org](mailto:programs@readtothem.org) or calling 1-804-367-3195 to discuss your needs further. We are always happy to help you find just the right book – or books – for your students and families.
